1 Introduction

This document is the user manual for our game, Worcestershire Fish. You will find here all the necessary information to use the game.

2 How to create a game :

To create a game you can simply choose singleplayer on the menu

3 how to use multiplayer

For the multiplayer, just click on 'Multiplayer' to access the multiplayer menu, then choose your options.

4 Controls

For the controls, you can choose your own control using the menu, just go into Settings.
